Model IC Engines - John-Tom Engine and Model Plans

Home built 2 stroke engine using scrap metal and no machine tools. If you're one of those people that loves to learn, you'll simply learn, all the time at every opportunity. If you keep learning long enough, sooner or later your mind will begin to overflow into the real world. That pretty much describes J. Joachim Hall. He's a self taught ...

Design and Build a Two Stroke Engine with No Machine Shop?

So I've been trying to work out a way to demonstrate how an engine works, the original idea was to do a series called 'engine 101' After thinking about it I ...

Homemade 2 stroke engine - step by step - Intro + part 1 ...

I have finally completed my latest engine project. This is a Jan Ridders "Debbie" 2 stroke (Excellent plans, by the way!) I learned a lot about metric conversions and tank soldering. This was an interesting build. It took me almost 3 years to complete this (things have been very busy at work and home)

Jan Ridders 2 stroke completed and running!

Drawing plan Linford two-stroke engine Post by Jan Ridders » Sun Feb 04, 2007 12:39 pm I just finished making the drawing plan of the unique Linford two-stroke engine with the opposed pistons.

Drawing plan Linford two-stroke engine ...

Up to and during the last war, I made many experiments in design of two-stroke engines from 50 c.c. down to 2-1/2 c.c., most of which, but by no means all, have been described in M.E., and nine of these designs are still available from the M.E. Plans Dept.; but others, and mutations (or mutilations) of them, have never been recorded, beyond references to them in a series of articles in Improving the Two-stroke published during the war years.

Model Petrol Engines (by ETW)

After I designed my simple two-stroke engine back in 2006, it proved popular with many builders around the world. When recently helping a builder to sort out some problems he had in getting his engine to run, I realized that the design could be further simplified and improved to produce a more reliable runner.

[DOC] 2 Stroke Engine Plans

HONDA'S TWO-STROKE PLANS. Honda apparently hasn't given up on the two-stroke. A website in the UK called morebikes dug up patent drawings that show a fuel-injected two-stroke motor with a slightly different twist. In this design, clean air is drawn into the crankcase through a case reed, then, when the piston is near TDC, an upward pointing injector sprays fuel into the crankcase.
