Encounters With French Literature And Film Six Essays On ...

This module considers the topos of the doctor-patient encounter in twentieth-century French literature. While the 'medical humanities' are a field of research that has predominantly flourished in Anglophone writing, this module questions whether intersections between the humanities and medicine are not also seminal to French literature of the twentieth century.

King's College London - 7AAF171 The Clinical Encounter in ...

Introduction. In the years 1704-1717 the French orientalist Antoine Galland published his translation of an Arabic collection of tales called the Thousand and one nights. It was the first translation of this work in a European language and it was an instant success: Galland's Mille et une nuit conquered the French audience and was soon translated into the main European languages.
