Flashing Steel, Second Edition -  
North Atlantic Books

Where the first edition might have 4 photos of a series, the 2nd edition has 16 to 20. This means that you can see what the intermediate positions look like. The first edition is ~270 pages while the second edition is ~335. Also, the second edition is physically larger. Even if you already own the first edition I would recommend the second edition.

Kentucky Department of  
Education

Iaido er forbundet med glidende,  
kontrollerede bevægelser i  
forbindelse med trækning af  
sværdet fra skeden. Nystartede  
iaido-udøvere starter som regel  
med et træsværd, bokken, mens  
nogle skoler foretrækker at  
anvende iaitō (sværd der er  
sløvt), med det samme. Få mere
