A New York Times Notable Book from the author of *The Golden Age*. “A remarkable study of a young woman’s most literal rite of passage” (*Baltimore Sun*). *Gilgamesh* is a rich, spare, and evocative novel of encounters and escapes, of friendship and love, of loss and acceptance, a debut that marked the emergence of a world-class talent. It is 1937, and the modern world is waiting to erupt. On a farm in rural Australia, seventeen-year-old Edith lives with her mother and her sister, Frances. One afternoon two men, her English cousin Leopold and his Armenian friend Aram, arrive—taking the long way home from an archaeological dig in Iraq—to captivate Edith with tales of a world far beyond the narrow horizon of her small town of Nunderup. One such story is the epic of *Gilgamesh*, the ancient Mesopotamian king who traveled the world in search of eternal life. Two years later, in 1939, Edith and her young son, Jim, set off on their own journey, to Soviet Armenia, where they are trapped by the outbreak of war. Rich, spare, and evocative, *Gilgamesh* won *The Age Book of the Year Award for Fiction* and was shortlisted for the *Miles Franklin Literary Award*. “Bold and beautiful . . . [An] astonishing saga . . . A woman as epic hero? It’s high time.” —Cathleen Medwick, *O, The Oprah Magazine*

Longlisted for the Wellcome Book Prize 2017 A moving story about transition between illness and recovery, childhood and maturity, life and death. Thirteen-year-old Frank Gold’s family escaped from Hungary and the perils of WW2 to the safety of Australia, but not long after their arrival Frank is diagnosed with polio. Sent to a sprawling children’s hospital called *The Golden Age*, he meets Elsa, the most beautiful girl he has ever seen, and a vocation for poetry. Frank and Elsa fall in love, fuelling one another’s rehabilitation and facing the perils of polio and adolescence hand in hand. Meanwhile Frank and Elsa’s parents must cope with their changing realities. Margaret, who has sacrificed everything to be a perfect mother, must reconcile her hopes and dreams with her daughter’s illness. Frank’s parents are isolated

newcomers in a country they don't love. Ida, a renowned pianist in Hungary, refuses to allow the western deserts of Australia to become her home, while her husband Meyer slowly begins to free himself from the past and find his place in the Perth of the early 1950s.

A girl's disappearance in Australia induces a family reckoning in this "dark and lovely work . . . full of elegance and mystery" (The New York Times Book Review). A two-time winner of Australia's prestigious The Age Book of the Year Award, Joan London's debut novel, *Gilgamesh*, a New York Times Notable Book, was published to rapturous acclaim both in her native Australia and in the United States. Now, London delivers *The Good Parents*, a "completely absorbing" tale of mother love and the harrowing moment when a daughter spreads her wings and vanishes from her parents' orbit (The Boston Globe). Maya de Jong is a shy, sweet, eighteen-year-old country girl who moves to Melbourne and begins an affair with her older, married boss. When Maya's parents, Toni and Jacob, arrive for a visit, Maya is gone, and no one knows where. Maya, for reasons of her own, leaves haunting clues in late-night calls to her brother at home, carefully—and puzzlingly—avoiding detection by the two people who love her most. Ultimately, to find her daughter Toni will have to revisit a part of her own past that she thought she had shut off forever—the closest she ever came to being a lost girl herself. *The Good Parents* is a stunning portrait of familial love, delusions and compromises, and how far we can drift apart in the moments between the words we speak. Enthralling, unsettling, and riveting, this "arresting novel . . . explains the attraction of bad love for young women attempting to break free" (The Independent).

A thrilling retelling of the ancient Epic of Gilgamesh from the Hugo and Nebula Award–Winning author of *Lord Valentine's Castle*. *Gilgamesh's* appetite for wine, women, and warfare is insatiable. As the King of Uruk, he oppresses his people and burdens his city.

To temper his excesses, the gods create Enkidu, Gilgamesh's equal, who becomes his greatest friend. Together they wander the kingdom as brothers, conquering demons until a cruel twist changes Gilgamesh's path forever. Two parts god and one part man, Gilgamesh is mortal—a fate he now resolves to overcome, no matter what the price. And so he embarks on another journey, in pursuit of vengeance and the ultimate prize for a mortal king: eternal life. This ebook features an illustrated biography of Robert Silverberg including rare images and never-before-seen documents from the author's personal collection.

The ancient Sumerian poem *The Epic of Gilgamesh* is one of the oldest written stories in existence, translated with an introduction by Andrew George in Penguin Classics. Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality. Alongside its themes of family, friendship and the duties of kings, *The Epic of Gilgamesh* is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly combines these into a fluid narrative and will long rank as the definitive English *Gilgamesh*. If you enjoyed *The Epic of Gilgamesh*, you might like Homer's *Iliad*, also available in Penguin Classics. 'A masterly new verse translation' *The Times* 'Andrew George has skilfully bridged the gap between a scholarly re-edition and a popular work' *London Review of Books*

Kaloorlie; Chagall comes to Paris in the 1920s; a hippie couple survey their ideals as Whitlam is deposed; a middle-aged man looks at his life after cancer on the eve of the millennium . . . Fourteen luminous stories from Joan London's award-winning collections, *Sister Ships* and *Letter to Constantine*, together with two later stories, span the twentieth century in a volume that is storytelling at its very best.

A new verse rendering of the great epic of ancient Mesopotamia, one of the oldest works in Western Literature. Ferry makes *Gilgamesh* available in the kind of energetic and readable translation that Robert Fitzgerald and Richard Lattimore have provided for readers in their translations of Homer and Virgil.

The world's oldest work of literature, the *Epic of Gilgamesh* recounts the adventures of the semimythical Sumerian king of Uruk and his ultimately futile quest for immortality after the death of his friend and companion, Enkidu, a wildman sent by the gods. *Gilgamesh* was deified by the Sumerians around 2500 BCE, and his tale as we know it today was codified in cuneiform tablets around 1750 BCE and continued to influence ancient cultures—whether in specific incidents like a world-consuming flood or in its quest structure—into Roman times. The epic was, however, largely forgotten, until the cuneiform tablets were rediscovered in 1872 in the British Museum's collection of recently unearthed Mesopotamian artifacts. In the decades that followed its translation into modern languages, the *Epic of Gilgamesh* has become a point of reference throughout Western culture. In *Gilgamesh among Us*, Theodore Ziolkowski explores the surprising legacy of the poem and its hero, as well as the epic's continuing influence in modern letters and arts. This influence extends from Carl Gustav Jung and Rainer Maria Rilke's early embrace of the epic's significance—"Gilgamesh is tremendous!" Rilke wrote to his publisher's wife after reading it—to its appropriation since World

War II in contexts as disparate as operas and paintings, the poetry of Charles Olson and Louis Zukofsky, novels by John Gardner and Philip Roth, and episodes of *Star Trek: The Next Generation* and *Xena: Warrior Princess*. Ziolkowski sees fascination with Gilgamesh as a reflection of eternal spiritual values—love, friendship, courage, and the fear and acceptance of death. Noted writers, musicians, and artists from Sweden to Spain, from the United States to Australia, have adapted the story in ways that meet the social and artistic trends of the times. The spirit of this capacious hero has absorbed the losses felt in the immediate postwar period and been infused with the excitement and optimism of movements for gay rights, feminism, and environmental consciousness. Gilgamesh is at once a seismograph of shifts in Western history and culture and a testament to the verities and values of the ancient epic.

The *Law of Dreams* tells the story of a young man's epic passage from innocence to experience during The Great Famine in Ireland of 1847. On his odyssey through Ireland and Britain, and across the Atlantic to “the Boston states,” Fergus is initiated to violence, sexual heat, and the glories and dangers of the industrial revolution. Along the way, he meets an unforgettable generation of boy soldiers, brigands, street toughs and charming, willful girls – all struggling for survival in the aftermath of natural catastrophe magnified by political callousness and brutal neglect. Peter Behrens transports the reader to another time and place for a deeply-moving and resonant experience. The *Law of Dreams* is gorgeously written in incandescent language that unleashes the sexual and psychological energies of a lost world while plunging the reader directly into a vein of history that haunts the ancestral memory of millions in a new millennium.

National Book Award Finalist: The most widely read and enduring interpretation of this ancient Babylonian epic. One of the oldest and

most universal stories known in literature, the epic of Gilgamesh presents the grand, timeless themes of love and death, loss and reparations, within the stirring tale of a hero-king and his doomed friend. A National Book Award finalist, Herbert Mason's retelling is at once a triumph of scholarship, a masterpiece of style, and a labor of love that grew out of the poet's long affinity with the original. "Mr. Mason's version is the one I would recommend to the first-time reader." —Victor Howes, *The Christian Science Monitor* "Like the Tolkien cycle, this poem will be read with profit and joy for generations to come." —William Alfred, Harvard University
