Deal with It by Monica McKayhan, a 5 star book that I really enjoyed. It's about Indigo Summer and her best friend Jade. They are one of the most popular girls at school and the best dancers on the high school squad but only one of them can be the captain. When Jade is chosen as captain, Indigo really can admit that she is jealous of her best friend.

The fourth novel in the Indigo Summer series, Jaded (Kimani, 2008), is told from the alternating viewpoints of Jade Morgan and Terrence, her boyfriend. What inspired you to write this novel? After the first book, readers were eager to know more about Jade (Indigo's best friend who moved away much too soon). So it was important to write her story.
