Provides information on Japanese companies, products and services and includes brief overviews giving demographic, business, and tourist information for all Japanese prefectures.

The American Joint Committee on Cancer's Cancer Staging Manual is used by physicians throughout the world to diagnose cancer and determine the extent to which cancer has progressed. All of the TNM staging information included in this Sixth Edition is uniform between the AJCC (American Joint Committee on Cancer) and the UICC (International Union Against Cancer). In addition to the information found in the Handbook, the Manual provides standardized data forms for each anatomic site, which can be utilized as permanent patient records, enabling clinicians and cancer research scientists to maintain consistency in evaluating the efficacy of diagnosis and treatment. The CD-ROM packaged with each Manual contains printable copies of each of the book's 45 Staging Forms.

Combines the latest research with contemporary lives, descriptions, and reconstructions to provide a dramatic picture of what it was like to be a samurai. So you think you'd like to be a samurai? It's 1615 and the samurai, Japan's elite fighting class, are at the zenith of their powers. Trained in every manner of combat, from sword fighting and archery to karate and jujitsu, the samurai warrior is the emperor's last line of defense against the lewd and sordid barbarians of Japan and beyond. This handy manual tells you everything you need to know about maintaining the honor of the samurai class both on and off the
