The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

**What Does the Service Engine Soon Light Mean on a Nissan**??

Your Nissan vehicle comes equipped with a service light which reads "service engine soon." This light warns you that there is a problem with the vehicle's emissions control system. This system is very important as it regulates and controls the air to fuel ratio as well as a number of other vehicle functions. A free diagnostic scan can be done to diagnose the problem at most auto parts stores.
