All you have to do is input certain parameters like top plate angle, cutter count, etc. and the machine will do the rest. Oregon 720-120: A heavier duty automatic chain sharpener, it's more expensive than the TEMco FP1000 and a great choice for repair shops, hardware stores, tree trimming businesses, sawmills, etc.

~~Automatic Chain Sharpener for Homeowners - Chainsaw Journal~~
The Oregon 520-120 is our pick for the overall best chainsaw sharpener on the market. Oregon makes some of the absolute best chainsaw sharpeners out there and could have easily filled half our entire list, but the 520-120 is the one we think brings the most to the table. The 520-10 is a bench mounted sharpener built for high volume use.
