Three vampire tales by three talented female authors! –Wicked by Kristen Middleton– When eighteen-year-old Emily wakes up to find herself being held captive in a barn with four other women, she's terrified. When she tries to escape, she finds herself being hunted by a dark presence through the deep woods of Montana. –The Blood Pool by LR Potter– When vicious killings of humans begin to show up in a small town, Alec Kilton – Chief Enforcer of the Nave, the ruling authority of vampires, is sent to investigate it and stop it. During the course of his investigation, he comes across a deadly game enacted by four young – and untrained – vampires. They call their game, the Blood Pool. In this game, they select a female human 's name from a hat, and then each of the four have an opportunity to woo her. Whoever wins, gets to enjoy her before the other three come and destroy her. While out on his mission, Alec meets a stunning redhead, Molly O 'Connell, who he finds irresistible on so many levels. During the course of their game, Molly 's name is deposited into the hat and selected to become their next target in the Blood Pool. Will Alec be able to understand their game in time to save his lovely redhead? Or will those who invented the game destroy her first? –Violent by C.J. Pinard– College sophomore Evan Grant doesn 't realize what he 's getting into when he asks the beautiful redhead, Karina Walsh out on a simple date. The date ends well but the night does not. A terrifying encounter with an otherworldly creature leaves him nowhere to go but to Karina and her family for help. But will they help him... or destroy him for knowing too much of a world he never should have seen? All stories are appropriate for readers 17 and older. To Understand proposes a model that incorporates all aspects of literacy instruction and describes how teachers can focus on what matters most. Keene shows that when teachers target the most essential content, they can help every student engage more deeply with texts and discover a passion for reading and learning. You'll learn to draw out students' intellectual interests and spark improvements in their literacy learning and comprehension-even among students who struggle. You'll see that teaching the Outcomes and Dimensions of Understanding can help readers exceed expectations and also help broaden your vision of their capacity and energy for learning.
