Pride and Prejudice. Pride and Prejudice. by Jane Austen. Chapter 1. It is a truth universally acknowledged, that a single man in possession of a good fortune, must be in want of a wife. However little known the feelings or views of such a man may be on his first entering a neighbourhood, this truth is so well fixed in the minds of the surrounding families, that he is considered the rightful property of some one or other of their daughters.

Pride and Prejudice is not an endorsement of the role of marriage in society; rather, it is a blistering critique of it. Austen stresses the necessity of marriage for women in order to underline how urgently change is needed. Austen suggests that in her society, love is a desirable component of a marriage, but by no means the most important one.
