Challenges to the Newspaper Industry | Pew Research Center

It wasn't always good but it wasn't corporate. Newspapers had character, just like the towns they spoke to had character. Today newspapers are owned by people who not only know nothing of the "business" of newspapers, but also nothing of the nobility and primacy of the printed word. It is these scoundrels who have stolen journalism's soul.

What's Wrong With Today's Newspapers? | HuffPost

So you had the newspapers dealing with a couple big problems. One is several sources of revenue like classified advertising, which really have no tie to news, were supporting news operations...

Common problems - Newspapers and other online news sources...

Traditionally, newspapers used as factual sources have severe limitations. Under the pressures of time, limited access to information, and available space, a truncated view of society may be presented by the periodical press. And the historian's selection of "facts" from the newspapers adds another subjective dimension to the process.
