The present Rural Development Policy and Strategies underscores one basic objective with regard to economic development, i.e. to build a market economy in which: i) a broad spectrum of the Ethiopian people are beneficiaries; ii) dependence on food aid is eliminated; and, iii) rapid economic growth is assured.

Given the dominance of agriculture in the Ethiopian economy, i.e. agriculture contributes to about 80% of employment, the rural development effort is presently associated with ...

This report takes a spatial approach to study Ethiopia ' s rural development strategies. It highlights the need to develop stronger and more functional linkages between rural and urban areas. As such, the development of intermediary cities and small urban centres provides large scope for inclusive rural transformation. The report is the result of rigorous analysis, and extensive consultations with national and international stakeholders.

Rural Development Strategy Review of Ethiopia: Reaping the ...

Under the GPRA, all agencies must submit strategic plans to the Office of Management and Budget and Congress that outline their program activities, program goals and objectives, and how they will be achieved. Our plans are listed here in PDF formats.
