Delusion, dementia or discourse? A daughter insists on the latter, and with the threads of her mother's narratives weaves for them a raft of words. These conversations, unlike anything I'd shared with her before, shocked me. I was glad they happened only when we were alone together. I'd never even thought these things I heard us say, didn't know where they came from. But since they seemed to make sense to her, I kept inviting her to speak. She'd say something, I'd listen, say something back; we were together in words. As if what we said to each other arose, not from our own learning or experience, but some underlying chord that included our voices but was bigger, spoke through them, as if the sound of the ocean were encoded in the sounds of the rain. I'll Close My Eyes(But I Won't Be Asleep)sounds an intimate, heartbreaking, and sometimes humorous, end-of-life chord in a mother and daughter relationship.A compelling memoir, I'll Close My Eyes(But I Won't Be Asleep)is an honest account of what, for most of us, remains hidden and unheard. It will be useful for anyone torn by conflicting desires and demands, battered by memory, grief and rage, and struggling to give care. Elisa Adler studied at the University of California, Berkeley, Mills College and, in Bogota, Colombia, at Centro de Estudios Colombo-Americanos. She has worked as a newspaper reporter, translator, interpreter, laborer and domestic, teaches English and Spanish at colleges in California and Nevada, and farms with her daughter and husband in the northern Sierra."

Eva Perino is single and proud of it. Owner of The Grounds, a coffee shop nestled in the heart of a college town, thirtysomething Eva cherishes her comfortable life filled with quirky friends, a fun job, and no significant other. In fact, she's so content to be on her own that she started a blog about it: "Why I Love Singlehood." Yet when she hears the news of her ex-boyfriend's engagement, her confidence in her single status takes a surprisingly hard hit. So begins Eva's clumsy (and occasionally uproarious) search for love as she secretly joins an online dating site, tries her hand at speed-dating, and breaks her own rule by getting involved with one of The Grounds' regulars. Soon Eva is forced to figure out exactly who--or what--is the true love of her life.

Meet Lindsay Chandler a 32 year-old New York working wife and mother with old-fashioned values who thinks she's living a fairy tale life (she's not). Then an unexpected friendship with her upstairs neighbor (he is smart, successful, sophisticated and sexy she's not) unleashes her passion and re-ignites her sparkle. This liaison causes her to question the way she lives her life. Yearning for a storybook ending, she decides to make changes in her life, embarking on a quest for self re-invention in this hilarious, witty, touching story. Guaranteed entertaining and fun!!

Johnny Holt Jr comes home to Kentucky for the summer to find his father, JJ has made alliances with a notorious slaveowner, Spanish-born Edmond Maguerro to turn Holt Lands into a million-dollar plantation. Johnny is indifferent, much as he hates the idea because of his liberal views about slavery, but doesn't involve himself until he meets Elisa, one of his father's new slaves. Johnny is smitten and convinced Elisa belongs with him in New York, where he is a law student at a prestigious college, or any other world where the society

is color-blind. And he goes all out to remove her from slavery and into that world. Set in 1800s American slave-era, I loved a slave follows the story of two lovers as they make their way through circumstances beyond their control to escape their reality and live in a world best imagined.

[BookStrand Contemporary Romance] When Elisa finds an old letter, she's driven to uncover the answers to its secret. What she's not expecting is to fall for the handsome, confirmed bachelor, Henry Tucker. Henry must learn to overcome the hurt and deceit that drove him to the remote Utah desert where the Goshute people have given him the help he needs to find peace. Once Elisa comes into his life, he realizes his newfound peace is about to be shaken. As Elisa is drawn to the Goshute people, she is pulled in by their myths, and the legend of the wolf seems to be entangled in everything she does. With the help of the wolf spirit, will she unravel the secrets of the past? Can she find a way to open Henry's heart? Together, will they find their destiny? \*\* A BookStrand Mainstream Romance

His professors commented on Arthur being an extremely gifted person or a genius of some sort; but nobody knew what was happening with his genetically transmitted legacy of Adolf Hitler. Arthur started to change little by little; typically saluting like Hitler again to his classmates and teachers. He himself could not explain what he was doing and he even tried to unsuccessfully correct himself. When he was out of University, he rented movies of the Second World War and documentaries of Hitler. While seeing videos of the Holocaust and documentaries of the crimes committed in the Nazi Death camps, he commented to his mother, 'Mother, I still cannot

understand why there was so much hatred towards the Hebrew race. If I had all the power that this man had I would have conquered the world in a pacific way, just by using the advanced technology that Germany possessed. However, Hitler's personality attracts me so much that I do not know what happens to me and sometimes I even feel and think like him. But I do not share his anti-humanistic views."

In the sequel to Faking It, Andi Cutrone flees to Italy to escape the grief over the loss of her husband, only to unexpectedly run into the man who helped her discover her true self years earlier. Original.

Follow along as two sister one with a deep dark secret and the love of a man. The love of sisterhood and the strength to overcome any obstacles in the world. As I wrote this book, all my love, and all my feelings bled on to the pages. The billionaire that one falls in love with, shows a much softer side than he would have in the world of business. True love is the greatest power and the best medicine. True love for a sibling and true love for a lover, power or powerless, rich or poor, deep down we all crave one thing, Truelove. This is a great happily ever after, novel or at least I tried not to be predictable with the ending. Once you begin reading this novel, I promise you won't put it down until you reach the end. Figure out with me as you will what exactly is the Billionaire's Dirty Bargain and who has what and who loves who and what is the deep dark secret and who holds it. This is a romance novel and I did try to describe the sex scenes as vivid as I could without the raunch. I really hope you enjoy this latest addition to my novel book genre. Let me know what you think in the comments section and let me know what you liked and didn't like about it and what you expected would happen. The only way for me to grow as a novelist is changing and adapting
