Fans of Cassandra Clare's *Mortal Instruments* series will be drawn to Wendy Higgins's sexy, thrilling *Sweet Evil* series. *Sweet Peril* focuses on the battle between light and dark, good and evil, within Anna Whitt, the child of a guardian angel mother and a demon father. Anna promised herself she'd never do the work of her father—polluting souls. She'd been naive to make such a claim. Haunted by demon whisperers, Anna does whatever she can to survive, even if it means earning an unwanted reputation as her school's party girl. And all the while there's gorgeous bad-boy Kaidan Rowe, the son of the Duke of Lust, plaguing her heart and mind. Anna discovers it is her fate to banish demons from the earth, and save the other Nephilim from their dark destiny. Until then, Anna and Kaidan must put aside the issues between them, overcome the steamiest of temptations yet, and face the ultimate question: is loving someone worth risking their life?

This swoonworthy, romantic companion novel to Wendy Higgins's *New York Times* bestselling *Sweet Evil* series is told from irresistible bad-boy Kaidan's point of view. Readers will love getting inside Kaidan's head, especially fans of the *Divergent* series by Veronica Roth, the *Selection* series by Kiera Cass, and *Walking Disaster* by Jamie McGuire. When bad-boy drummer Kaidan Rowe encounters good girl Anna Whitt, the girl chosen to vanquish the demons from earth, he can't stop thinking about her. The Nephilim son of the Duke of Lust, Kaidan tries to help Anna embrace a life of sin, but she gradually helps him see that he's meant to do more with his life. Their relationship is as tortured as it is passionate, for Nephilim are forbidden to fall in love. But as hard as they may try to obey, Kai can't seem to stay away

In this first installment of NY Times bestselling author, Wendy Higgins's debut New Adult series, a frighteningly realistic apocalyptic America is brought to life, entwined with searing romantic tension that will leave you eager for more. \*\*\* Amber Tate believes the worst thing she'll suffer in life is dealing with the unrequited love she feels for her brother's best friend, Rylen Fite. She also believes war is something unfortunate that happens places far, far away from her rural Nevada town. She's wrong on both counts. When an unknown organization meticulously bombs major cities in the United States and across the globe, a trickle-down effect spreads to remaining towns at an alarming speed-everything from food and water sources to technology and communications are compromised. Without leadership, the nation is split between paralysis and panic, but Amber isn't one to hide or watch helplessly. She's determined to put her nursing skills to use, despite the danger, even if it means working alongside the man she can never have.

Wendy Higgins, the author of the New York Times bestselling Sweet Evil series, reimagines a classic Brothers Grimm fairy tale with *The Great Hunt*, a dramatic, romance-filled fantasy with rugged hunters, romantic tension, and a princess willing to risk all to save her kingdom. When a monstrous beast attacks in Eurona, desperate measures must be taken. The king sends a proclamation to the best and bravest hunters: whoever kills the creature will win the hand of his daughter Princess Aerity as a reward. The princess recognizes her duty but cannot bear the idea of marrying a stranger—she was meant to marry for love—until a brooding local hunter, Paxton Seabolt, catches her attention. And while there’s no denying the fiery chemistry between them, Princess Aerity feels that Paxton’s mysteriousness is foreboding, maybe even dangerous. Paxton is not the marrying type. Nor does he care much for spoiled royals and their arcane laws. He is determined to keep his focus on the task at hand—ridging the kingdom of the beast—but the princess continues to surprise him, and the secrets he’s buried begin to surface against his wishes.

Princess Penelope wants nothing more than to study at the Academy of Mages. Despite her natural talent, her father refuses to even entertain the idea. So when the opportunity arises to visit her mysterious wizard godfather, Penelope leaps at the chance. She never expects to find a different kind of magic in the arms of her godfather’s reclusive nephew, Stefan. When an unexpected enemy uses Stefan’s secrets against them, Penelope’s magic and courage are put to the test. Can she rescue the man she loves? Or will she fall *Saving the Dragon*?
