Saigon fell to the Viet Cong on April 30, 1975. Kien Nguyen watched the last U.S. Army helicopter leave without him, without his brother, without his mother, without his grandparents. Left to a nightmarish existence in a violated and decimated country, Kien was more at risk than most because of his odd blond hair and his light eyes - because he was Amerasian. He was the most unwanted. Told with stark and poetic brilliance, this is a story of survival and hope, a moving and personal record of a tumultuous and

"Consent is compelling and disturbing and a welcome expansion of our urgent conversation"--Rebecca Traister Donna Freitas has lived two lives. In one life, she is a well-published author and respected scholar who has traveled around the country speaking about Title IX, consent, religion, and sex on college campuses. In the other, she is a victim, a woman who suffered and suffers still because she was stalked by her graduate professor for more than two years. As a doctoral candidate, Freitas loved asking big questions,

Kien Nguyen established theories and sinking her teeth into sacred texts. She felt at home in the library, and safe in the book-lined offices of scholars whom she admired. But during her first year, one particular scholar became obsessed with Freitas' academic enthusiasm. He filled her student mailbox with letters and articles. He lurked on the sidewalk outside her apartment. He called daily and left nagging voicemails. He befriended her mother, and made himself comfortable in her family's home. He wouldn't go away. While his attraction was not overtly sexual, it was undeniably

inappropriate, and most importantly--unwanted. In *Consent: A Memoir of Unwanted Attention*, Donna Freitas delivers a forensic examination of the years she spent stalked by her professor, and uses her nightmarish experience to examine the ways in which we stigmatize, debate, and attempt to understand consent today.

In the tradition of Don Brown's critically acclaimed, full-color nonfiction graphic novels *The Great American Dust Bowl* and Sibert Honor winning *Drowned City*, *The Unwanted* is an important, timely, and

Kien Nguyen exploration of the ongoing Syrian refugee crisis, exposing the harsh realities of living in, and trying to escape, a war zone. Starting in 2011, refugees flood out of war-torn Syria in Exodus-like proportions. The surprising flood of victims overwhelms neighboring countries, and chaos follows. Resentment in host nations heightens as disruption and the cost of aid grows. By 2017, many want to turn their backs on the victims. The refugees are the unwanted. Don Brown depicts moments of both heartbreaking horror and hope in the ongoing Syrian refugee crisis. Shining a

Twins" by their entire family and spent their early years feeling unloved and unprotected. Now, in this gripping, powerful autobiography, she tells her courageous story of triumph over an upbringing she would not let define her. With the help of her twin sister's love, as well being a spiritual medium, she was able to survive her childhood and put her shattered life back together. The Unwanted Twins is one woman's unflinching look at a childhood no child should have to endure, with a message of hope, resilience, love, and forgiveness.

Kien Nguyen is a story of spellbinding drama and intrigue, and, ultimately, the story of a great love affair.

A true story of resilience, survival and achievement, and a heartbreaking tale of a father's complicity in his own family's disintegration. In Yorkshire in the 1950s, Suz Evasdaughter blames herself for her mother's death when, aged just 6, she and her brothers are moved to a children's home. Her father eventually brings them back, but instead of finding a safe haven to rebuild their family, Suz finds herself plunged into a

civility—much like Maggie Hughes' parents. Maggie's English-speaking father has ambitions for his daughter that don't include marriage to the poor French boy on the next farm over. But Maggie's heart is captured by Gabriel Phénix. When she becomes pregnant at fifteen, her parents force her to give baby Elodie up for adoption and get her life 'back on track'. Elodie is raised in Quebec's impoverished orphanage system. It's a precarious enough existence that takes a tragic turn when Elodie, along with thousands of other orphans in Quebec, is declared mentally ill as the
