The Women's Room is the debut novel by American feminist author Marilyn French, published in 1977. It launched French as a major participant in the feminist movement and, while French states it is not autobiographical, the book reflects many autobiographical elements. For example, French, like the main character, Mira, was married and divorced, and then attended Harvard where she obtained a Ph.D. in English Literature. Despite the connection of The Women's Room to the feminist movement, French s
