Trust Me

As the Taliban rapidly advance across Afghanistan, designer Marzia Hafizi is worried about the survival of her fashion business and of the gains women have made in the last 20 years.

Can love be found between a whore and a knight in tarnished armor? Mia longs for the daily torture to end, but one last task keeps her holding on. In a betrayal of the crime lord who pulled her from the gutter, she'll free the shipment of human cargo, and if she's lucky, die in the process. The alternative is unfathomable, even to a woman well-versed in erotic torture. But luck abandons her yet again when she meets the security expert in charge of the shipment and finds herself face to face with her childhood crush. The man she once begged for help. The man who failed her. Tyler Martinez is an undercover FBI agent with one chance to right the wrongs of his past. Thrust deep into the seedy world of human trafficking, he must put aside his guilt over abandoning Mia all those years ago in order to save her now. Someone's pulling the strings in this sadistic play on trust, but Tyler and Mia may not live long enough to see the curtain fall. Trust in Me is a story of erotic pain and incipient romance, spiraling ever faster toward betrayal or redemption. Trust in Me is a dark romance with captivity and power play. Not intended for readers uncomfortable with those situations or under eighteen. "Dark, disturbing, haunting, and beautiful, Skye Warren will take you into the depths of depravity but bring you home, safe in the end." 0'4 Kitty Thomas, author of Comfort Food

"Dark, disturbing, haunting, and beautiful, Skye Warren will take you into the depths of depravity but bring you home, safe in the end." - Kitty Thomas, author of Comfort Food Mia longs for the daily torture to end, but one last task keeps her holding on. In a betrayal of the crime lord who pulled her from the gutter, she'll free the shipment of human cargo, and if she's lucky, die in the process. The alternative is unfathomable, even to a woman well-versed in erotic torture. Then she meets the security expert in charge of the shipment--and finds herself face to face with her childhood crush. The man she once begged for help. The man who failed her. Tyler Martinez is an undercover FBI agent with one chance to right the wrongs of his past. Thrust deep into the seedy world of human trafficking, he must put aside his guilt over abandoning Mia all those years ago in order to save her now. Someone's pulling the strings in this sadistic play on trust, but Tyler and Mia may not live long enough to see the curtain fall. Trust in Me is a story of erotic pain and incipient romance, spiraling ever faster toward betrayal or redemption.*****TRUST IN ME is a full-length dark romance novel that explores captivity and power. Not intended for those uncomfortable with the subject matter or under 18 years of age. Books in the Dark Nights series: ½. Keep Me Safe (prequel novella) 1. Trust in Me 2. Don't Let Go Praise for Trust in Me: "I devoured Trust in Me because it was good from the first word right until the last one. Skye Warren knows how to deliver a powerfully poignant story that will keep her readers engrossed." - Sizzling Hot Book Reviews "Good gracious! Skye Warren is a true mistress of dark and twisted love stories. As the sequel to KEEP ME SAFE, TRUST IN ME affirms Ms. Warren's talent for creating broken characters in dire situations, but leaving readers with hope at the end." - The Forbidden Bookshelf "Trust In Me is strong, dark and twisted, exactly how a dark erotica book should be." - Darkest Sins "I was captured from the very first sentence, drawn into the story as if watching it play out in my own mind. The story pacing and flow of information were flawless. The characters were obviously flawed, yet undeniably realistic. No matter how brutal the story it ended with a HEA and a feeling of hope." - Wicked Reads

It's Wait for You as you've never seen it. Trust in Me lets you in on Cam's side of the #1 New York Times bestselling story. Cameron Hamilton is used to getting what he wants, especially when it comes to women. But when Avery Morgansten comes crashing into his life—literally—he finally meets the one person who can resist his soulful baby blues. But Cam's not ready to give up. He can't get the feisty and intriguing girl out of his head. Avery has secrets, secrets that keep her from admitting the feelings Cam knows she has for him. Will persistence (and some delicious homemade cookies) help him break down her barriers and gain her trust? Or will he be shut out of Avery's life, losing his first real shot at the kind of love that lasts forever?

The Training House Collection by Kitty Thomas is 3 full-length books in one bundle. Publisher's Note: These books are stand alone titles and not part of a series. (Although Guilty Pleasures and Broken Dolls occur in the same world, one is not a direct sequel of the other. Tender Mercies occurs in a totally different world, but is thematically similar to Broken Dolls.) This bundle contains: Tender Mercies, Guilty Pleasures, and Broken Dolls Tender Mercies: "Grace. That word that finally meant something again. Mercy. Favor. Good will." Fed up with play, Grace Warner moves to an island to be with a man she met online. Within hours of her arrival, everything is ripped from her, and she quickly learns play is preferable to the realities of actual enslavement. Asher Collins has spent the past year mourning and blaming himself for the death of his slave, Darcy. When Grace catches his eye at a showing, obviously abused, he becomes obsessed with buying her and finding a way to atone for his own past sins. Guilty Pleasures: Vivian Delaney leads a life of privilege, but behind closed doors she feels isolated and trapped in a gilded cage. Unable to achieve pleasure with her husband, she finds herself in the capable hands of Anton, a massage therapist intent on awakening her to her full potential. By any means necessary. Broken Dolls: Mina Calloway always finds herself in the hands of the wrong master: Gentle at first, then brutally sadistic and abusive. She no longer believes it's possible to find a man who will be gentle with her. After seeing a therapist for months, the doctor makes her an offer she isn't yet smart enough to refuse: "Let me find you a good master." Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive training house allows him to sleep through the night. When Brian sees Mina, she should be ripe for the picking, but her damage is too similar to his own. Can he fight past his demons to protect the one person he considers worth saving? Disclaimer: This work is meant for an emotionally mature adult audience and contains content of an adult nature. Neither the author nor the publisher endorses or condones any behavior carried out by any character in this work.

SHORTLISTED FOR THE 2018 CWA DEBUT DAGGER FOR UNPUBLISHED FIRST NOVEL She hasn't seen her brother in years. Now, he's dead. When Judi Westerholme finds out her estranged brother has been murdered, she assumes it's connected to his long term drug addiction. Returning home, she is shocked to discover he had been clean for years, had a wife – now missing – a child and led a respectable life. But if he had turned his life around, why was he killed in a drug deal shooting? And where is his wife? Desperate to know what really happened, Judi sets out to uncover the truth, even though it means confronting her own traumatic past. But she's not the only one looking for answers... With a gutsy, unapologetic protagonist, Trust Me, I'm Dead is a gritty and bold crime thriller that explores the sacrifices people will make for their families. 'Gripping and disturbing, Clark delves into dark places close to home. Trust Me, I'm Dead will linger in your mind after you have read it' - Leigh Russell, author of the bestselling Geraldine Steel series

Does Jessica know what the truth is? A stunning psychological debut with a shocking twist

In this twisty psychological thriller from the New York Times bestselling author of The Girl Before, an actress plays both sides of a murder investigation. "[A] rich, nuanced, highly literary take on the Gone Girl theme."—Booklist (starred review) Claire Wright is desperate. A British drama student in New York without a green card, she takes the only job she can get: working for a firm of divorce lawyers, posing as an easy pickup in hotel bars to entrap straying husbands. But then the game changes. When one of her targets becomes the suspect in a murder investigation, the police ask Claire to use her acting chops to lure him into a confession. From the start, she questions the part she's being asked to play: Is Patrick Fogler a killer? Or is there more to this setup than she's being told? Claire will soon realize she is playing the deadliest role of her life. Praise for Believe Me "For readers who enjoyed the paranoia factor in A. J. Finn's The Woman in the Window or the unreliable narrator of Paula Hawkins's The Girl on the Train."—Library Journal "Produces a bobsled run's worth of twists." —Publishers Weekly "An intense, stylish psychological thriller."—Good Housekeeping "A dark and haunting thriller . . . A superb evocation of conflicted emotions, this never lets you guess what's coming next."—Daily Mail "I so enjoyed it—what a twisty, exciting read."—Sabine Durrant, author of Lie With Me

The cult classic that predicted the rise of fake news—revised and updated for the post-Trump, post-Gawker age. Hailed as "astonishing and disturbing" by the Financial Times and "essential reading" by TechCrunch at its original publication, former American Apparel marketing director Ryan Holiday's first book sounded a prescient alarm about the dangers of fake news. It's all the more relevant today. Trust Me, I'm Lying was the first book to blow the lid off the speed and force at which rumors travel online—and get "traded up" the media ecosystem until they become real headlines and generate real responses in the real world. The culprit? Marketers and professional media manipulators, encouraged by the toxic economics of the news business. Whenever you see a malicious online rumor costs a company millions, politically motivated fake news driving elections, a product or celebrity zooming from total obscurity to viral sensation, or anonymously sourced articles becoming national conversation, someone is behind it. Often someone like Ryan Holiday. As he explains, "I wrote this book to explain how media manipulators work, how to spot their fingerprints, how to fight them, and how (if you must) to emulate their tactics. Why am I giving away these secrets? Because I'm tired of a world where trolls hijack debates, marketers help write the news, opinion masquerades as fact, algorithms drive everything to extremes, and no one is accountable for any of it. I'm pulling back the curtain because it's time the public understands how things really work. What you choose to do with this information is up to you."

After all of the devastating betrayals by the one she loved, Twenty-two year old Avery Stevens has spent three years raising her daughter alone, with her family and best friend as a support system, never leaving her small hometown of Rivers Edge, Missouri. Though Rivers Edge holds the pain of her past, it also holds the one person she wants but can't have – her brother's best friend, Maddox Jackson. When she learns the attraction might not be one-sided, will Avery be able to trust Maddox with the one thing she's held onto tightly for the past few years? Police officer Maddox Jackson is a ladies' man with one foot out the door. Never planning to settle down, Maddox fights the attraction he feels for his best friend's little sister, Avery. But can he continue to fight it when his body and his heart are leading him to the one woman he shouldn't want? When secrets are finally exposed, can Avery and Maddox trust each other enough to overcome the past, handle the present, and preserve their future? Can Avery trust Maddox with her heart? Will Maddox be able to convince Avery to take the chance? *Disclaimer: This book contains graphic language and detailed sex and is recommended for those 18 and over.

From International Bestselling Author Jan Coffey... TRUST ME ONCE A woman runs through the glittering streets of Newport with killers on her trail. She needs help. She needs someone she can trust... Attorney Sarah Rand returns home from abroad to discover that she is a dead woman. In shocked disbelief she realizes the murder victim mistakenly identified as her was really her best friend. No one knows that Sarah is still alive—except the killers still hunting her down. Alone and on the run, Sarah desperately searches for answers. Why has her boss and mentor, a prominent local judge, been arrested for the crime? What does she have or know that's worth killing for? And what are the most powerful people in exclusive Newport—a senator, a dying professor and his embittered wife, a top-notch security expert and a cadre of criminals—determined to hide. With danger closing in, Sarah must turn to a man she

barely knows—Owen Dean, a Hollywood celebrity with dark secrets of his own...
