Yoga & the Chakras - YogaOutlet.com

In Ayurveda and various yoga traditions, such as Tantra and Kundalini, the term chakra refers to an energy centre that interacts with both the physical and energetic bodies. The word itself is derived from the Sanskrit *cakra*, meaning “wheel,” alluding to the vortex of swirling energy believed to reside in each chakra's location. There are several different chakra systems, ranging between ...

What is Chakra? - Definition from Yogapedia

Chakra yoga is a type of yoga practice that combines various aspects of other yogic traditions to activate the energy centers along the spine, also known as the chakras. It is considered a type of Kundalini yoga because activating the lower chakras and opening the upper chakras awakens kundalini and allows it to move more easily through the energetic body.

What is Chakra Yoga? - Definition from Yogapedia

The word “chakra” translates to “wheel” in Sanskrit. Each chakra is thought to vibrate at its own frequency in a circular pattern, funneling energy from the universe into the body's energetic system.

Yoga's Energy Centers: What Science Says About the Chakras ...

One day in 2010 I sat down to start writing what I thought would be a 2000 word essay on the Chakra system for a yoga training I had been doing. But I started writing and basically couldn't stop, and 7 weeks later I had 40,000 words on the nature of the Body-mind connection! It encompasses understanding and knowledge I've accumulated ...

Chakras are conduits that conduct and transform prana into material form. Proper and unrestricted flow of energy through your chakras is necessary for your physical, mental and emotional good-health. If your chakras are not functioning properly, your associated bodily organs and systems will deteriorate and become functionally impaired.

Chakra - Yoga Vidya

Chakras relate to our Kundalini which in turn is an exemplification of the immense latent potentials within us. There are many means of tapping these hidden potentials (Mantra repetition, Gemstones, yoga asanas, pranayamas, meditation, etc.) All the creations are first conceived in our thoughts and hence our thoughts are seen as the most potent means to tap into our innate potentials.

Muladhara chakra is the very first chakra in the energetic chakra system. Also known as the root chakra, this chakra is your foundation. It's often viewed as the most important of all the chakras, because the foundation must be healthy and balanced if the rest of the chakras are to follow suit. Realigning your root chakra is a necessary task if we want prana to flow fluidly and freely.
